In the name of Allah, the Beneficent, the Merciful

I swear by the sky and by the Night-Comer, (1) and what may let you know what the Night-Comer is? (2) The star of piercing brightness! (3) there is no human being, but there is a watcher over him. (4) So, let man consider of which stuff he is created. (5) He is created of spouting water (6) that comes out from between the loins and the chest-bones. (7) Surely He is Powerful to bring him back (8) on a day when all the secrets will be searched out, (9) and he will have neither strength (to defend), nor a supporter. (10) I swear by the sky that rains, (11) and the earth that cracks open (for plants), (12) this is a decisive word, (13) and it is not a joke. (14) They are devising plans, (15) and I Am devising plans. (16) So leave the disbelievers alone at the moment; give them respite for a while. (17)
